Spring Time

Does anyone take Groundhog Day seriously? In Tennessee, we did. In fact, we had many groundhogs on our property. They did big holes in the ground to make their homes. I am surprised we never busted a tire in the hayfield when we hit one of their holes. If you saw the news, we are in for an early spring.

Punxsutawney Phil, the groundhog, could not see his shadow. Regardless of groundhogs and the weather, the days are getting longer. That must mean that spring is around the corner! It won't be long until we see the tractors working hard to turn the soil and planting will follow. New calves are already hitting the ground, and soon the trees and flowers will bloom. Spring brings everything back to life!

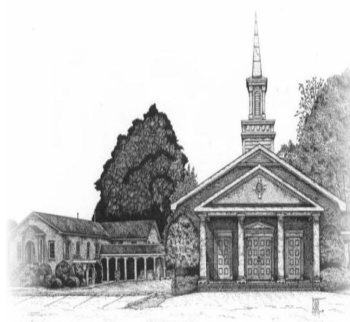

The New Year has been good to us here at Mt. Pleasant. We had excellent attendance during the month of January, especially in Sunday School. Let us keep working toward the goal of one hundred in Sunday School. Additionally, I want to thank everyone that has participated in our volleyball fellowship the last several weeks. We've had a great group every week to play and cheer for the teams. Even though we never asked for food, we have enjoyed

some very good refreshments! I sincerely hope that we can look at other ways we can have fellowship within our church. Maybe, at some point, we can look seriously at a softball team again. That would be awesome!

Even though we are still a few months away, Vacation Bible School (VBS) is already on our minds. Let me first encourage everyone to pray over our VBS. Every year we have a great opportunity to plant the seed of salvation into the hearts of so many boys and girls. We need to pray for these children; and specifically, we must pray for them to know the Lord as their savior. If you know a family with children, and they don't have a church home, please invite them to our VBS. Finally, we need volunteers for VBS. Several have signed up already, but we need many more. It takes a small army of volunteers to pull off VBS, and I am thankful for everyone that works hard to make it happen. I am looking forward to everything the Lord is doing here at Mt. Pleasant. I love you all!
